

## Lakes Regional Planning and Network Advisory Committee Seeks New Members

Lakes Regional Community Center Planning and Network Advisory Committee (PNAC) is now seeking new members. Community input is vital to the work of Lakes Regional Community Center (LRCC) and the services it offers to its stakeholders. Through the Planning and Network Advisory Committee, LRCC strives to involve individuals, family members and advocates in its planning activities.

Meetings are held every three months to identify community needs; provide input in planning, policy making, and services delivery system design. Members are charged with developing and presenting recommendations to Center Board of Trustees.

### **PNAC members:**

- Uphold Center procedures regarding confidentiality; and
- Engage in constructive dialogue and offer creative solutions to problems

## Have a voice at Lakes Regional Community Center

The PNAC serves as a resource to LRCC. The PNAC makes recommendations to the Local Board/Governing body of Lakes on the development of the Local Authority's provider network. The PNAC is instrumental in ensuring community concerns are identified and understood at the local level so that services are developed to meet the needs of our individuals.

### **Are you a good candidate for PNAC?**

For additional information about PNAC, please contact Kristalyn Brewer at [krisb@lakesregional.org](mailto:krisb@lakesregional.org)
